FOR IMMEDIATE RELEASE

**BarbaraCares Receives Grant to Advance Health Equity in
Underserved Communities across Tarrant County.**

Fort Worth, July 05, 2023 – BarbaraCares, a leading nonprofit organization dedicated to improving healthcare access and quality, is thrilled to announce they have been named a grant recipient of the Fund to Advance Racial Equity at North Texas Community Foundation. Funding will significantly enhance BarbaraCares' efforts to address healthcare disparities and create sustainable, long-term solutions that promote equitable health outcomes in underserved communities throughout Tarrant County. The generous grant, recognizes BarbaraCares' unwavering commitment to fostering health equity and reducing disparities in Tarrant County. With this funding, BarbaraCares will expand its reach and impact, working diligently to eliminate barriers to quality healthcare services for vulnerable populations.

"We are immensely grateful to North Texas Community Foundation for their belief in our mission and their support," said Xavier Sanders, Executive Director of BarbaraCares. "This grant will empower us to accelerate our efforts in addressing the root causes of health inequities and to work comprehensive strategies that improve health outcomes for the underserved communities in Tarrant County."

BarbaraCares is determined to use this opportunity to drive positive change and create a more equitable healthcare landscape in Tarrant County. The grant will fuel several key initiatives undertaken by BarbaraCares to achieve health equity:

- Enhanced Healthcare Access
- Health Education and Outreach
- Collaborative Partnerships
- Health Technology Innovation

About BarbaraCares:

Through innovative programs and strategic partnerships, BarbaraCares strives to eliminate health disparities, promote health equity, and enhance the overall well-being of residents affected by breast cancer. Our mission: To bridge the gap between healthcare access and supportive services to create a healthier tomorrow for individuals today.
