FOR IMMEDIATE RELEASE

BarbaraCares Hosts 5th Annual March for Mammogram 5K Race to Support Breast Cancer Awareness and Access to Care

Fort Worth, TX – May 2, 2024 – BarbaraCares, a local 501c3 nonprofit organization dedicated to providing social support services to breast cancer patients in Texas, is excited to announce its upcoming annual March for Mammogram 5K Race. The event is scheduled to take place on Saturday, May 18, 2024, from 9:00 AM to 12:00 Noon, at Dunbar High School located at 5700 Ramey Ave., Fort Worth, TX 76112.

The March for Mammogram 5K Race is a community-focused event with a powerful message of advocacy, access, and support for individuals affected by breast cancer. Residents from all over are invited to participate in this impactful initiative. This year, in addition to the 5K race, participants will have the opportunity to receive a FREE mammogram onsite. *However, due to limited availability, individuals interested in receiving a mammogram must pre-register prior to the event.*

We are thrilled to invite the community to join us! Together, we can make a significant impact on the lives of those affected by breast cancer by promoting awareness and increasing access to essential healthcare services. BarbaraCares extends a warm invitation to members of the press, residents, and supporters to join us onsite for this impactful event that truly helps to save lives.

For more information about the event and to sign up, please visit
