FOR IMMEDIATE RELEASE – October 10, 2022

Care2Fight Health & Wellness Fair

Fort Worth, Texas – This Saturday, October 15, 2022, the Wilkerson-Greines Activity Center will host the 4th Annual Care2Fight Health & Wellness Fair presented by The BarbaraCares Foundation.

This event provides access to healthcare and health services for residents from all North Texas at no cost. As we turn the page post-pandemic we invite everyone to take part in this FREE one-day family friendly health fair designed to offer vital screenings, interactive activities, and health services to save lives.

This year we have a number of concurrent additions to compliment the health fair. In partnership with FWISD Talent Management, there will be an onsite job fair. Recruiters and personnel will be present conducting interviews and accepting resumes for a variety of positions. We will be providing food distribution for attendees. There will be a vaccination clinic providing free flu shots and COVID-19 booster shots. Free hands-on CPR classes will be offered for any student and adult interested during the health fair.

Located at: 5201 C A Roberson Blvd. Fort Worth, TX. 76119, the Care2Fight Health & Wellness Fair will kick off at 10AM and last until 1:00PM. We encourage visitors to bring their boxing gloves for a chance to “knock out cancer!”

Featuring live performances, guest speakers, and more, we look forward to serving the community, because a healthy community is a strong community!
