Today we celebrate another year of service here at the BarbaraCares Foundation. Four years ago today on December 14, 2018, this organization was created in honor of Barbara to address late-stage breast cancer diagnoses and as support for breast cancer patients and caregivers here in Texas.

As I reflect on the many milestones accomplished over the years, I would be remiss if I did not recognize those that have been instrumental in where we are today. To the entire Board of Directors that works tirelessly to bring creative ideas for greater impact and endeavors to create a sustainable and healthy organization, thank you!

To our Staff, whose daily commitment ensures we are able to meet the needs of the people through targeted outreach and engagement, thank you! Your effort changes lives and inspires hope!

To our Volunteers, you are the lifeblood of this organization. Your time and talents are vital in the operational capacity of this foundation. We would not be able to do what we do without your support and faithfulness to our events and causes. Thank you!

To our Community Partners, impact happens because of your partnership. We are better as an organization because of the commitment you share to health and wellness. Thank you!

And to our Donors, every dollar has a name! BarbaraCares is able to provide resources because of your kindness and generosity. You are the reason for our success and without your heart, our programs and supportive services would cease. Thank you!

I am proud of where we have come as an organization and looking forward to another year in 2023 to continue to build upon our mission with the goal to help save and support lives! On this special day of our anniversary, I want you to know that your support and trust have been the biggest drive toward our continued growth. Thank you! We aim to ensure that BarbaraCares continues to be a trusted advocate in the community for years to come.

We are inspired to do more, serve more, and expand our impact beyond this organization. For additional ways to get involved, I invite you to visit www.barbaracaresforyou.org.
