FOR IMMEDIATE RELEASE:

Bradie James' Foundation 56 Partners with BarbaraCares for the 6th Annual Care2Fight Health & Wellness Fair.

Forest Hill, TX – The BarbaraCares Foundation is excited to announce the 6th Annual Care2Fight Health & Wellness Fair on Saturday, October 19, 2024, at the Forest Hill Civic & Convention Center (10AM-1PM). Held during Breast Cancer Awareness Month, this event empowers individuals across the metroplex through health screenings, health advocacy, and health literacy.

BarbaraCares is honored to continue its partnership with Bradie James' Foundation 56. Bradie has been a steadfast advocate for breast cancer awareness for years and Foundation 56's ongoing support for life-saving mammograms has significantly impacted the lives of many women and their families in our community.

A Day of Health and Empowerment – The Care2Fight Health & Wellness Fair offers a wide array of health screenings, including mammograms, heart exams, dental, hearing, blood pressure checks, and diabetes testing, along with resources to support a healthy lifestyle. Bradie James' Foundation 56 ensures that women in need receive mammograms at no cost, making essential health services accessible to all. This event is free and open to the public. We invite everyone to join us for a full day of health awareness and empowerment.

Save the Date – Please mark your calendars and help us make this year's Care2Fight Health & Wellness Fair an even bigger success. For more information, visit: www.barbaracaresforyou.org/healthfair for event details and sponsorship opportunities.
