Date: July 26, 2022

### **BarbaraCares Receives Catchafire Grant.**

*This grant will support long-term capacity building for the organization to strengthen new and existing outreach initiatives.*

*The BarbaraCares Foundation* has been named a recipient of the Catchafire grant. This grant will empower our organization to more sustained and programmatic impact. The investment of support from Catchafire strengthens our organizational capacity so that we can fulfil the tenants of our mission to both help save and support lives.

#### **Project Information:**

Fort Worth, Texas. July 26, 2022 – We are pleased to announce a grant award from Catchafire for the ongoing support of our mission(s) here at BarbaraCares. This grant positions the organization to have access to industry experts, who are knowledgeable in a myriad of skills, professions, and resources.

Today's announcement marks another achievement that positions the organization to expand our capacity and continue to serve our communities both effectively and efficiently at a larger scale. The mission of BarbaraCares is to provide supportive services to breast cancer patients and caregivers here in Texas, while expanding access to free mammography screenings. This grant will allow our services to be more robust, tailored and streamlined.

#### **About Catchafire.**

Catchafire is an online, volunteer-matching platform that matches your organization with professional, virtual volunteers to help complete the projects most critical for your organization's success. Their community of vetted volunteers offer assistance with over 120 types of capacity-building projects. For more information and to learn more, visit: [www.catchafire.org](http://www.catchafire.org)
