

"Fight, Smile & Fight Some More!"

Press Release

Walmart Community Grant

Release Date: August 9, 2019

It is with a grateful heart that we announce The BarbaraCares Foundation has been named the recipient of the Walmart Community Grant. To the Store Manager, the dedicated associates and the entire review board, we are humbled by our selection. By receiving this grant, the foundation will be able to further its mission to provide much needed supplemental resources to breast cancer patients and their families here in Texas. Every dollar will be committed to helping those fighting in this journey. To the Walmart Foundation and @WalmartGiving, on behalf of the Board of Directors for The BarbaraCares Foundation, again we say thank you for your commitment to both community and organizations globally. We too share in your mission to focus on creating impact. This grant will allow the communities we serve to be greatly enriched and supported due to your generosity. Thank you @WalmartGiving for your philanthropic heart. #WalmartGiving #BetterTogether

Sincerely,

Xavier E. Sanders - Board Chair
